## Welcome to PHILANTHROPY...

Welcome to Philanthropy IMPACT. In this edition, you will read about gifts that have made a significant difference to our affiliated fundraising foundations during the last quarter. In addition to those special gifts of \$250,000 or more highlighted here, we also are proud to spotlight three features: Wills and Bequests, a donor interview, and employee giving at one of our facilities.

We hope you enjoy this edition of Philanthropy IMPACT, and we will see you next quarter!
