## Welcome to PHILANTHROPY...

This edition highlights featured gifts that made the last quarter of Fiscal Year 2013 an exciting one. Dignity Health-affiliated foundations once again exceeded their annual goal by raising over **\$90 million** in support of our local communities. Fiscal Year 2014 will see the largest fundraising goal in the Dignity Health’s history, as the fundraising foundations have budgeted to raise approximately **\$101 million** in support of our healing ministry, allowing even further impact. We hope you enjoy this edition of **PHILANTHROPY: Stories of Philanthropic Impact from Dignity Health**, and we will see you next quarter.
