## Welcome to PHILANTHROPY

This edition highlights the impact of a few major gifts from the second quarter of FY15. Through Q2, our 31 foundations have raised \$47.5 million, putting us well on track to meet our collective \$108 million budgeted goal for FY15.

Additionally, at this year’s Philanthropy Education Summit, we awarded the second annual Phillis Awards for foundation excellence at Dignity Health. I invite you to celebrate with our winners from this year by watching a [short video](#) recap of our event.
